## TEXTILE, SHOE INDUSTRIES STEP UP OUTPUT

COTTON FACTORIES INCREASE PRODUCTION ~- Moskovskiy Bol'shevik, No 200, 25 Aug 49

During the first half of 1949 enterprises of Glavmoskhlopprom (Main Administration of Moscow Cotton Industry), of the Ministry of Light Industry, beat the plan in production of thread and cloth.

Productivity of equipment went up nearly 4 percent in spinning and 11 percent in weaving. Many new fly frames, spinning, and carding machines were put into operation.

New houses for textile workers were built at the Orelhovskiy Combine, Dreznenskiy Factory, and many other enterprises.

SHOR YACTORY PRODUCTION UP -- Moskovskiy Bol'shevik, No 200, 25 Aug 49

A high-duty assembly line has been set up in the "Parizhakayo Kommuna" shoo factory. On the first day of production 200 pairs of shoes were produced, on the second day 348 pairs, and on the third day 540 pairs. During the first 9 days after the organization of the assembly line, production went over the plan by 4,653 pairs of shoes.

1,250 NEW STYLES OF CLOTHING -- Moskovskiy Bol'shevik, No 193, 17 Aug 49

The Ministry of Light Industry UESR has worked out steps for a further improvement in the quality and assortment of sewn goods. It is proposed that enterprises produce not less than 1,250 new styles of outer garments and light dresses during the second half of 1949, and improve the production of children's clothes.

TEXTILE MILL RESPONATION CONTINUES -- Izvestiya, No 193, 17 Aug 49

The Estonian Constituction Trust No 14, now engaged in restoring the huge Trengol'm Textile Mill, exceeded its helf-year construction program by 6.3 percent and its housing construction plan by 13.5 percent. It put in operation 24,800 spinning bobbins, 292 locms, more than 17,000 square meters of plant space, and more than 4,700 square meters of housing.
